 Canadian owned and operated

Superior Quality Control ensures crucial protection and extreme performance.

Official Approval signifies that **Motosel Extreme Performance Lubricants** have passed all tests and stringent specifications required by **Renault**.

API ILSAC CERTIFIED

API's Service Symbol and Certification Mark identify quality engine oils for gasoline and diesel-powered vehicles that meet the performance requirements set by U.S. and international vehicle and engine manufacturers and the lubricant industry.

QUALITY IS VITAL

Motosel Industrial Group emphasizes greatly on quality, which is why we have strict quality control measures that are implemented during the manufacturing stage. We produce chemicals, hydraulics, lubricants, and much more to the highest industry standards. All products undergo extensive testing in our laboratories and are deemed ready for sale only after they pass certain preset parameters. Being a B2B operation in the oil & gas industry, we understand the importance of maintaining quality and till date we have not compromised in this aspect.

QUALITY CONTROL

Our commitment to quality, service and integrity makes us a reliable partner in today's challenging manufacturing environment. We take pride of the superior quality of our products and implement the best quality control practices in the industry.

- Each batch of raw materials and finished products is carefully inspected.
- Samples are kept in the production archives for two years.
- State-of-the art fully equipped and certified lab on site.

MOTOSEL MOTOR OIL

Motosel Synthetic & Semi-Synthetic Motor Oils are a superior quality multi-grade oils designed for maximum engine protection even under the toughest driving conditions. They outperforms conventional motor oil, reduces friction and wear at start-up and protects your engine against performance robbing sludge and varnish deposits. They are fully licensed to meet or exceed car manufacturers' ILSAC GF-6 and American Petroleum Institute (API) SP service classifications and are backwards compatible with all earlier API classifications. Our Research and Development team continue to develop and formulate all our products to meet the latest state of the art vehicle manufacturer's warranty specifications and requirements. Motosel Motor Oils are recommended for high-powered passenger cars, light trucks, sport utility vehicles and other mobile and stationary engines.

PASSENGER CARS

- Ultra Euro Motor Oil
- Dexos1™ Gen 3 Full Synthetic Motor Oil
- Full Synthetic Motor Oil
- Synthetic Blend Motor Oil
- Transmission Oil
- Antifreeze

HEAVY-DUTY FLEET

- Heavy-duty Diesel Engine Oil
- Hd Transmission Oil
- Hd Antifreeze

FOR INDUSTRY

- Tractor Oil
- Hydraulic Oil
- Gear Oil
- Grease

PREMIUM FILTERS

- Oil Filter
- Fuel Filter
- Air Filter
- Cabin Air Filter

AVAILABLE PACKAGING:

- 1 QT (1L)
- 1 Gal (4L)
- 5 QT (5L)
- 5 Gal (18.9L) Pail
- 6-Gal (22.7L) Box
- 55 Gal Drum (208L)
- 270/330 Gal Tote (1000/1250L)
- Bulk Option for Oil: 6280 Gal Flexi Tank
